Borland Free Clinic awarded Spirit of Tualatin-Business award from the City of Tualatin Chamber of Commerce

Borland Free Clinic is the recipient of the Spirit of Tualatin-Business award presented by the City of Tualatin Chamber of Commerce at its annual Excellence in Business Awards Celebration on April 29, 2021.

The mission of the Borland Free Clinic is to *bring hope and healing to vulnerable people in our community as an expression of Christ's love*. The mission of the Tualatin Chamber of Commerce is to *help businesses succeed by providing connectivity through education, promotion, and advocacy serving the interest of business and community*.

The Tualatin Chamber of Commerce used the following words to describe this award: *This award is presented to a Tualatin Chamber service club, non-profit organization, or business in recognition to their contributions to the community in the past year. This award's recipients' dedication to the community and civic projects has made Tualatin a better place to live; whose leadership and example has inspired others to exceed their own limitations and accomplish more than they thought possible.*

At the virtual ceremony (which you can watch online on the Chamber's YouTube channel), Borland Free Clinic was described in this way: *Borland Free Clinic represents the spirit of Tualatin because they selflessly give back to the community to make it a better place for everyone to live without judgment or discrimination.*
